## ABOUT THE BOOK

Christ-Centered Preaching presents preaching as a theological discipline, a spiritual act, and an ecclesial practice. Beginning with the authority of Scripture and the unity of redemption, it leads preachers from exegesis and biblical theology to sermon preparation, proclamation, evaluation, and pastoral application. The book calls the church to preaching that clearly announces the crucified and risen Christ and forms hearers for faith, holiness, assurance, service, and mission.

## ABOUT THE AUTHOR

Rev. Dr. Silas Kanyabigega is a theologian, educator, pastor, and Christian leader whose work centers on biblical faith, salvation, leadership, theological formation, and the mission of the Church.
